Lecture 9: November 13

Presentation 2 Feedback, Writing 3 Requirements,
System Design Interviews

Agenda

- Writing 2 Feedback

- **Presentation 2 Feedback**

- Writing 3 Requirements

- System Design Interviews (Pat & Phil!)

Presentation 2 Feedback

What went well

- Huge improvement compared to presentation 1!
- Engagement
- Position
- Gestures

Room for Improvement

- Volume
- Eye contact
- Less text on slides
- Slide visuals – different between presentations & writings

Agenda

- Writing 2 Feedback

- Presentation 2 Feedback

- **Writing 3 Requirements**

- System Design Interviews (Pat & Phil!)

Writing 3 Requirements

Team Submission, Due 11/24 (example template, last year's example)

Product / Design Specs

- User Stories
- Flow Diagrams
- Mockups/Wireframes

Technical Specs

- Architecture Diagrams
- External APIs, Internal APIs, and Frameworks
- Main Algorithms of System

Check Lab 7 Slides for details

For Next Week

Weekly Focus

- Write code!

Mentor Meetings

- [Team]: Code Review with mentor (if you haven't already)
- [Team]: Writing 3 review with mentor

Deadlines

- [Team]: Writing 3 (**Nov. 24)**

Reminders

- Don't forget to post weekly updates (due EOD!)
- Lab is remote next week
